

# **Payment**

## **Terms and Conditions**

**We have a clearly stated no refund policy except for injury that occurs in a NIBA sanctioned game or a game at the college you may be enrolled in. Injury related refunds will be prorated if you have participated in the NIBA season. Refunds only apply to league dues and will not apply to any funds paid for uniforms. Please make sure you are committed, willing and able to play for the league and program that you sign up for. Our policy is made due to the negative effects player withdrawal has on the coaching staff and the teams on the field. Other players may pass on due to current roster status.**

**Please make informed decisions prior to making a payment. Upon filling out a player registration form, please make sure you have received an email from a league administrator and have spoken via text or phone to a league administrator. Ask any and all questions prior to payment.**
